Called to order by DZ. AN taking notes

- October minutes approved
- OARS reports:
  - 2014-10-020: closed
  - 2014-10-079: incident happened at a federal site, JW will collect more information, report remains open
  - 2014-10-095: closed

- RF and EA report from the U-wide Meeting. Topics were ‘active shooters’ and ‘Ebola’. Active Shooters: Safe Campus showed the training video describing response to an active shooter (run-hide-fight). This and other training videos can be found at www.washington.edu/safecampus. Safe campus and EHS expect individual workplace-violence-prevention training every two years. All units need to organize this training on their own. CS reports of a remote training to satisfy this requirement. Units can get in touch with David Girts (dgirts@u.washington.edu, 206 685-4626) or Tawan Pratt-Wieburg (206 543-9331) to talk about unit specific training. UWPD (http://police.uw.edu/) is another resource. Ebola: Sheryl Schwartz reported of a form to be filled in by staff returning from Ebola crisis countries in West Africa. Harbor View hospital is prepared to accept Ebola patients; procedures are in place dealing with patient care, plumbing, waste, lab technicians, transportation, etc.

- 2014-08-033 closed (insect sting in remote part of WA state).
- DW sent out to committee members an EEOP template specific to labs.
- DZ considers scheduling a tour of the emergency management office in the tower.
- JW suggests to include violence response in our EEOPs.

Meeting adjourned.
