Position Announcement

Title: Natural Resource Technician – Temporary Seasonal Intern

Location: USDA Ag Service Center, Okanogan, Washington

Description: The Okanogan Conservation District is seeking a highly motivated individual to fill a temporary/seasonal Natural Resource Technician - Intern position. The Okanogan Conservation District is a dynamic organization comprised of volunteer board members and paid staff members that are leaders in “on the ground conservation”. We seek individuals that will complement our highly productive, energetic, and skilled staff to deliver quality conservation programs to Okanogan County residents.

We are seeking to fill an intern position to help address our significant workload. The incumbent in this position will work closely with staff mentorship and guidance to assist local landowners, conservation partners, and others to develop and implement voluntary conservation plans specific to each landowner’s needs.

Incumbents with a high-school diploma or equivalent and are currently working towards a degree in general natural resources, environmental sciences, natural resource management, agricultural sciences, range management, forestry, soils, water quality, wildlife management biology, engineering, or closely related fields are encouraged to apply.

Wages and Benefits: The incumbent will be an hourly employee earning $10.00 - $15.00 per hour DOQ. This position is not eligible for benefits such as health insurance, retirement, holiday, vacation, or sick leave.

Application Deadline and Instructions: This position is open until filled. Contact the Okanogan Conservation District office for detailed position descriptions.

Applicants must submit a cover letter, resume, and three references (at least two of which are professional) directly to:
Okanogan Conservation District
1251 2nd Ave. South, Room 102
