

Program on the Environment
 Course Fee Policy 2018

Program on the Environment attempts to provide immersive learning experiences in and out of the classroom that provide students with the opportunity to learn and practice skills in the context of content and concept learning, as well as to apply that learning to real world situations. In pursuit of those goals, Program on the Environment defrays these expenses, and charges course fees where appropriate, for the following costs:

Course Fee Refunds

Students must make a written request to Environmental Studies Student Services, enviradv@uw.edu to secure a refund for a course fee, regardless of whether the course is being taken for credit or audited.

Course fees will be refunded for a course a student drops within the first 7 calendar days of the quarter or if a student withdraws within the first 7 calendar days of the quarter. After the 7th calendar day of the quarter, Program on the Environment generally will not refund course fees because purchases for the class will have already been made. However, special consideration may be given for extenuating circumstances, such as in the case of hardship withdrawal, but only if the student has not extensively participated in the field or laboratory work. Course fees

refunded after the 7th calendar day of the quarter may be prorated based on the number of weeks remaining in the quarter.
