 Box 355355

AWARD ITEMS – each award consists of two items:

1. Departmental contribution: one faculty development quarter and
2. College contribution: one month of summer salary (and benefits) **OR** research support equivalent to one month of summer salary only **OR** a combination thereof (see College Contribution section below).

Name of Assistant Professor _____

CoEnv Unit _____ Date appointed _____

DEPARTMENTAL CONTRIBUTION

The department provides one faculty development quarter, during which there is a one-course teaching reduction and no assigned teaching responsibilities. During this quarter the faculty member is not on formal leave but is expected to remain in residence and to fulfill all other faculty duties (as is the case for any faculty member receiving an exemption to the Instructional Responsibilities Policy).

This quarter will be (quarter & year) _____

COLLEGE CONTRIBUTION (indicate which option is chosen)

The College provides one month of summer salary (and benefits) or research support (e.g., RA, travel, hourly) up to the equivalent of one month of summer salary only. If desired, one-half month of summer support may be requested with the balance used as research support.

_____ One/one half (circle one) month salary used summer of _____ Salary \$ _____
